of Transport

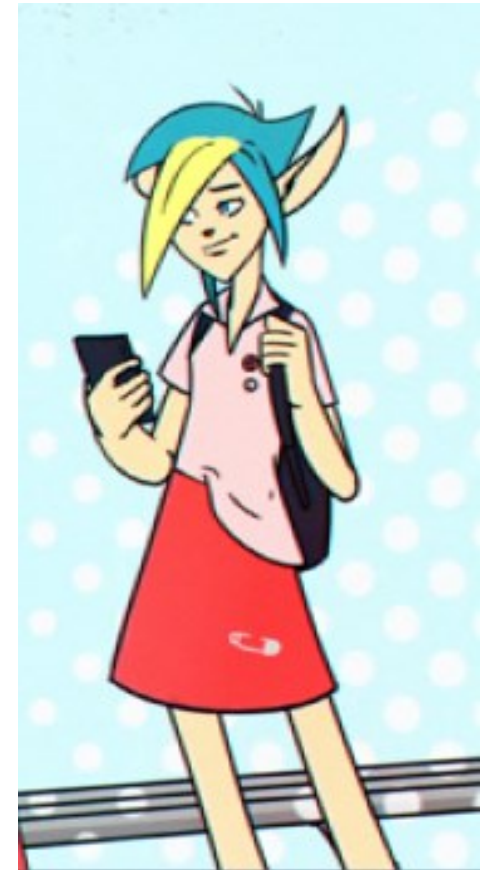

Authorised by the Department of Transport, 1 Spring Street, Melbourne

The Awarewolf has  
a hobby. Do you  
have a hobby?  
What is your  
hobby?

**The Awarewolf's hobby is taking photographs of safety at the train and tram stations.**

**While the Awarewolf is out taking more photographs, she has left you a bunch of photographs to sort into categories.**

**On the next 2 slides are photographs to categorise into groups. You can decide on the categories, but one might be “unsafe behaviours”. Be ready to explain your categories.**
